PARTNER

Partner - Roebuck Hunting in Oxford

We have been working with our partner in Oxfordshire for a number of years. He has plenty of experience of hunting roebuck, and over the years has guided a lot of different hunters to a good roebuck here. Visiting hunters have a great chance of shooting a really good trophy, the habitat here is perfect for roe deer, and many medal winning trophies are taken here every year.

Hunting is guided 1:1, and in this district it usually takes the form of lying in wait. This part of England has a wonderful climate, the influence of the Gulf-stream makes it almost sub-tropical in nature and it rarely gets very cold here.

HUNTING AREA Oxford

In Oxfordshire we have access to a good roebuck district of some 20,000 ha. just to the south of Oxford itself. Every year around 75-100 bucks are taken here, around half of which are of medal winning standard, with as many as 15-20 gold medals amongst them! In other words it a great place to hunt for a medal winning trophy.

Typically hunting is guided 1:1 in this district to optimize the chance of a trophy. Hunters should take note that hunting in this district is primarily carried out as lying in wait, so if you dream of stalking your way to a medal winning trophy, this is not the ideal district.

This district is perfect for hunters whose goal is to shoot the trophy of their dreams!

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 countries and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
