Paul Childerley

Our partner Paul Childerley, who is based in Bedfordshire, organizes fantastic pigeon shoots. The guide who takes care of our visiting hunters is a real expert when it comes to pigeons, and has plenty of expertise in hunting them. Furthermore Paul has access to some of the very best districts for Chinese water deer and muntjac. The population of Chinese water deer in Paul's districts is the best in southern England. Because of his expertise in the field, Paul Childerley himself has become known as "Mr. Chinese Water Deer". He is passionate about hunting, and will always do his best for visiting hunters. We can only recommend him wholeheartedly, he fulfils all our expectations of how a hunt should be carried out, and this together with the level of service and expertise he provides, is the reason why many of our hunters happily visit his splendid hunting districts time after time.

HUNTING AREA Bedfordshire

The Bedfordshire countryside is typical English farmland in character, with meadows, hedgerows and woodland. You can drive along winding roads between charming small towns and villages, now and again passing by some of the many stately homes and manor houses found in the region. The locals are also very friendly and welcoming here. All in all, the district is well worth a visit!

All the guides of course speak English, and are very friendly and helpful.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
