PARTNER

Partner - Roebuck Hunting in Devon

When our former here partner, the legendary Brian Turner decided to retire, a new younger player came forward, who wanted to carry on this hunt in the same spirit as before. Generally speaking, all our hunters visiting here are really happy about the hunting in this district, which is set in a really charming landscape. These beautiful surroundings, combined with a good population of roe deer provide everything needed for a really good hunt.

HUNTING AREA Devon

This district is only a 3-4 hour drive from London. It is located in Devon, near the town of Honiton, and covers a total area of 12.000 ha. In some places this district is very hilly, while in other parts the landscape is more gentle with rolling hills. There are small woodlands and copses, but most of the area is typically farmland, with plenty of hedgerows, which are of great importance for hunting roebuck. Every year bucks of up to 500g are shot here - so a really good trophy is possible. Hunters should take note that hunting is guided 1:1, and trophy fees follow a set price list. The district is in a part of England that almost has a sub-tropical climate because of the warm summers and pleasant summer weather, that it enjoys because of the influence of the Gulf Stream.

It goes without saying that the hunting guides speak English, they are all very service-minded and welcoming. It is a good hunt with a good atmosphere.

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
